

Access to HE Health and Social Care (Online delivery)

Duration: 12-18 months | Awarding Body: Ascentis

Overview

Our Access courses are delivered online, using an easily accessible platform, which is available 24 hours a day. This will provide you with the flexibility to study around any work and/or family commitments. You will also have full tutor support throughout your programme.

The Access to Higher Education (HE) Diploma is equivalent to A Level, and allows people to go on and study at University to study a health related degree course.

This course is ideal if you are already working, or looking to enter the health and social care sector.

What can it lead to?

There are a wide range of job opportunities for you after studying this qualification including;

- Community Worker
- Further Education Teacher
- Health Promotion Specialist
- Health Service Manager
- Medical Sales
- Adult Nurse

Entry requirements

The entry requirements to study on the health and social care pathway are a GCSE 4/D or above in English and maths.

What you will study

- Access to HE pathway

Your Access to HE Diploma is awarded by Ascentis who were voted as the best awarding organisation in 2017.

The details of your Access to HE diploma are available via the Ascentis website www.ascentis.co.uk.

What am I signing up for?

- Access to HE in health and social care

Further Study/Progression

Access to HE (Level 3)

Study and complete a bachelor's degree in your chosen subject area

Additional Course Information

How will you be assessed

- Direct observation
- Professional discussion
- Reflective account and witness testimonies
- Q&A
- Work products
- Assignments
- RPL (Recognition of Prior Learning)
- End-point assessment (EPA)
- Online examinations (Access to HE only)

Attendance

This is an online course and learners will use Assessor+ to work through the qualification. However face-to-face elements may be integrated depending on individual needs.

Course costs

The tuition fee for this course is up to £3,384.00. If you're aged 19+ you can opt to fund this course through an Access to HE loan.

Affordable repayments won't start until you're earning over £21,000 per year, and if you progress on to University and gain your qualification, the loan for this course is wiped off in full.
