4. To ensure the consistently high quality of provision and the quality of the learners' experience is not compromised.
5. Contribute to Standardisation and Quality Improvement meetings as required.
6. To maintain continuous professional development to ensure an up-to-date knowledge and understanding of new developments and Awarding Organisation requirements is maintained.
7. To contribute and manage own development in all aspects of continuous quality improvement, Awarding Organisation, Ofsted and business requirements, including the usage of the centre's e-portfolio system as a management information tool.
8. To follow, and implement, the centre's Learner Progression and Activity, Learning Support and Functional Skills Policy and Procedures, including planning appropriate monthly sessions and providing ongoing advice and guidance to learners and employers in order to support the centre to meet its minimum timely qualification achievement rates.
9. Work to challenging and improving performance standards to maintain standards of best practice.
10. Promote genuine equality and diversity in all aspects of curriculum delivery and service delivery.
11. Take responsibility for the health, safety and safeguarding activities applicable to the post as set out in the company's policy statements.
12. Undertake any other duties consistent with the basic objectives of the post.

It must be understood that every employee has a responsibility to ensure that all work undertaken is carried out in a way that complies with the company's policies, procedures, quality standards and codes of practice. This includes an obligation to show due regard for Health, Safety and Safeguarding, Equal Opportunities, confidentiality and the highest standards of customer care. Where the post will involve working within the regulated activity of clients and/or involve contact with children or vulnerable adults, Progress to Excellence Ltd will be required to complete a criminal records check through the Disclosure & Barring Service (DBS).

All employees are also expected to actively participate in performance reviews, the identification of their own training needs and attendance at any appropriate training events.
